

To Whom It May Concern:

MAY Management Services, Inc. provides service to many homeowners and condo associations in northwest Florida. We work out of the World Golf Village office and are very happy to have Gustavo Diaz of HuGus, Inc. do work for us on our properties. He has done many projects for us in such areas as drywall removal and replacement, priming, and painting. His workmanship and finished products are excellent. His attention to detail is much appreciated. We know that when we give a project to Gustavo that it will be done in a timely fashion and be of a high quality. It is good to have a craftsman who lives up to his word.

It gives us great pleasure to recommend HuGus, Inc. and its president, Gustavo Diaz, for the projects mentioned above. If we can be of any assistance or if you have any questions, please do not hesitate to contact us.

Sincerely,
